

Vgel

Personal Vaginal Lubricant

Description: Vgel Personal Lubricant is a water based Lube that is enhanced with aloe for increased lubricity and hydration for your intimate parts.

The importance of using a good quality therapeutic grade lube cannot be overstated.

If one wants the most comfortable and gratifying sexual experience, using a properly moisturizing lube is of utmost importance.

Directions: The quantity to be used depends on your individual needs for ultimate lubrication. Vgel is also used clinically to perform prostate examinations in men and gynaecological examinations in women.

Caution: If irritation or discomfort occurs, discontinue use immediately and consult a physician.

Keep out of the reach of children.

Ingredients: Water Purified, Hydrolyzed Hyaluronic Acid, Dipotassium Glycyrrhizinate, Aloe Barbadensis Leaf, Propylene Glycol, Glycerin, Hydroxyethylcellulose.
